

June 2021

Dear Members & Customers,

We hope everyone has been safe and well over the past year. It has been an unimaginable rollercoaster ride for the entire badminton community throughout this pandemic. Gyms were forced to shut down for numerous months. Kids were only able to train from home over Zoom calls. Businesses suffered with countless revenue losses while still having to pay for expenses out of their own pockets.

Now that the state has decided that on June 15<sup>th</sup>, the state will be lifting their county tier restrictions, we are very pleased to finally see the light at the end of the tunnel. With that said, for the **South San Francisco location, we will effectively be resuming drop-ins, multi-passes, and all active memberships prior to the March 15<sup>th</sup>, 2020 closing, on June 15<sup>th</sup>, 2021.** For the **Milpitas location, drop-ins, multi-passes, and all active memberships prior to the closing, will resume on July 1<sup>st</sup>, 2021.** For example, if you had 6 months remaining on your membership prior to the closure, your 6 remaining months will effectively begin on June 15, 2021. If you're not sure of your membership expiration date, we can always check for you as well.

During the county health restricted tiers, we received numerous positive feedbacks and seen many new faces from using the court reservation system. We have decided we will continue to offer court rentals as an alternative option to drop-ins/memberships. If you had an active membership prior to the pandemic, we are offering you the option to convert the remaining months on your membership into credit for court rentals only. However, once it is converted into credit for court rentals, you *cannot* convert the credit back into a membership. If you have any questions about this or would like to opt-in for it, please email us at [info@baybadminton.com](mailto:info@baybadminton.com).

Unfortunately, with the increase in expenses, cleaning/sanitation costs, and rise in inflation, Bay Badminton Center, Inc. must also increase its rates in order to continue providing a safe and clean facility for its badminton community. Please see the new rates below going into effect on June 15<sup>th</sup>, 2021.
